### **Would you be interested in serving on your Board of Directors?**

The Board of Directors would like to invite residents who may be interested in sitting on a future board to submit a brief resume to the Board of Directors for review.

Residents would be invited to serve as an Ex-Officio member of the Board of Directors.

What does this mean exactly?

Essentially, you will attend board meetings in an unofficial capacity to get up to speed on how the Corporation is managed by the Board of Directors. You will audit the meetings to gain knowledge of administrative, financial and physical building management. You will learn about the status of major projects and on-going contractual obligations of the Corporation.

While you may contribute to the meetings, you will not be a voting member of the Board of Directors.

There is a minimum commitment of eleven board meetings per year. The Boards of MTCC 979 and MTCC 988 will meet together effective March 24, 2009 as a Joint Board of Directors. This change is intended to facilitate management of the condominium complex since many projects are jointly managed while there is a shared interest in a significant number of other projects where co-operation may net monetary savings and expedite work.

Please drop off your resumes in a sealed envelope at the Management Office and they will be delivered to the Board of Directors on your behalf.
