Subject: Change Room Renovations

Please note that the Change Room Renovations will commence on Monday, July 6, 2009.

The first phase of the project will be the demolition phase which will last for a period of two weeks. This will be the dustiest part to the renovation and every attempt will be made to ensure that the area outside the change rooms is cleaned and vacuumed each evening.

Caution tape will separate the corridor outside the Change Rooms to restrict traffic in this particular area. The area will be used for deliveries and disposal of construction waste. Please avoid this area where possible.

During this period, pool patrons are asked to utilize the shower facilities at 10 Queen's Quay West adjacent to the children's playroom and golf practice area. If you are unable to use these facilities, you are respectfully requested to shower in your suites prior to using the pools or whirlpool.

Yours truly,
