

# Electronic Waste

## Multi-Residential Buildings

Approximate bin size 48cm x 40cm x 40cm (19" x 16" x 16")

***Use this E-box to collect small electronic items from residents for recycling, such as:***

Cell phones and home phones  
Computer cables and accessories  
Laptop computers  
Keyboards  
VCR/DVD players  
Hand-held computers  
Pagers  
Radios  
Cameras and video recorders

***The City will also accept large electronic items for recycling, such as:***

TVs  
Desktop computers and monitors  
Printers and scanners  
Copiers  
Typewriters  
Fax machines  
Stereos, tuners and turntables  
Receivers and speakers

**Property managers:**

The E-box contents will be considered one item. Large electronics will be counted individually.

When you have a minimum of five (5) items, call 311 to arrange for free City pick-up.

Please ensure the total weight of the box does not exceed 20kg.

Place the E-box and larger electronic items at your regular collection point designated for bulky items. To ensure proper collection, electronic items must be separated from other bulky items, such as furniture.
