

In Suite Filter Change

The in-suite air filter change will take place during the next week commencing on Monday, October 18, 2010 between the hours of 9:00 a.m. and 5:00 p.m.

Each suite will be given notification of a specific day in which suite entry is required (24 to 48 hours notice).

Please ensure all furniture is moved from in front of the fan coil units at least 4 feet, as your suite filter will not be changed if the area is blocked.

As well, please ensure your pets are enclosed in a separate room on that day.

Thank you.
