

## To All Residents of 10 Queens Quay and 10 Yonge Street.

This week will be our first official heat wave of  
the summer!

A few pointers for the week and the summer season.

Please close your blinds; this will help keep your suite cool  
and less stress on your Air conditioning unit.

Keep your AC unit at a reasonable temperature.

Avoid using excess hydro usage for this time. This will  
help prevent hydro interruption to keep your AC running.

Please be mindful of others when using the pool area.

Stay cool and keep that sun screen handy!
