Subject: Change Rooms Now Open

We are pleased to advise residents that the renovation's to the men's and ladies change rooms are substantially complete and both are now open and available for your use. Over the course of the next few weeks there will be some minor adjustments to the lighting and other equipment but this will be very minor in nature. Additionally, the Board will be considering additional decorating and furnishing requirements.

We thank you all for your patience during the completion of this project, and hope that you use and enjoy the finished product.

Yours truly,
