Subject: Recycling Initiatives

Over the coming months, the Residences of the World Trade Centre will be initiating a number of projects to encourage residents to recycle and reduce the waste levy that the City of Toronto charges multi-residential buildings to dispose of garbage.

We know that the easier and more convenient it is for our residents to recycle that the greater the likelihood is that you will participate.

To that end, we have taken the liberty of ordering new recycling bags for each suite. These bags will make it simple and achievable to recycle. Just hang it on the back of a door or inside your kitchen cabinet and load it up!

Please visit the Concierge Desk in your tower and pick up your free recycling bag together with the City of Toronto's most recent recycling poster.

We thank you for your anticipated cooperation in our recycling efforts.

Yours truly,

Brookfield Residential Services Ltd.
