Subject: Bicycles on the Common Elements

As the weather improves and the cycling season begins, some residents have been moving their bicycles through the common areas of the tower which is a breach of the Corporation's Rules and Regulations.

Please note that Rule No. C10 of the Corporation's Rules and Regulations specifically prohibits bicycles inside the building or on any of the common elements.

Bicycles should be kept either in your locker or in a designated bicycle space inside the garage and may not be taken through the corridors or lobby area.

We respectfully request that residents keep their bicycles in the underground garage and exit the condominium complex via the garage.

Thank you for your anticipated cooperation with respect to this matter.

Yours truly,

Brookfield Residential Services Ltd.
